

SUMMER SHINDIG

THE POWER OF ACTIVISM

Now more than ever we need to believe in the power of activism. Join us at our annual **SUMMER SHINDIG** as we celebrate the power of activism and hear a success story from James McNeal, One Bothell co-founder and current Bothell City Council member.

Local activists rallied together and saved 89 acres of open space, the former Wayne Golf Course, as it was being readied for development. How?

In addition to getting inspiration, you can enjoy good food, drink, and the company of other local defenders of the environment. **BRING YOUR FAMILY!**

Date/time: **Sunday, September 9, 3:00 to 6:00 PM**

Location: **Brightwater Environmental Center**
22505 Highway 9 SE, Woodinville 98072

Food: **We are providing some main course items, snacks & drinks, and ask that you bring a potluck item.**

A-J salad

K-T main dish item

T-Z dessert
