

SCC 30.91D.400 Drainage manual or Snohomish County drainage manual.

“Drainage manual” or “Snohomish County drainage manual” means the drainage manual adopted by the director of public works pursuant to SCC 30.63A.110. The drainage manual provides detail and specificity regarding the requirements of chapters 7.53, 7.54, 30.63A and 30.63B SCC.”

The Public Works Director has not adopted Ecology’s Stormwater Management Manual for Western Washington.
