

The Story of Swamp Creek - March 25, 2017 9:30-12:30

Event: Learn about the history of Swamp Creek and ways you can help make it healthier
 Audience: Stream-side residents and people interested in Swamp Creek
 Location: Kenmore City Hall, 18120 68th Ave NE, Kenmore WA

You are invited to learn about the fascinating history of Swamp Creek! Swamp Creek once supported record-setting runs of Kokanee salmon and had banks lined with blueberry farms. Now it has some challenges, and you can help out. Coffee, snacks, and lunch will be provided. Following the event, there will be optional trips to Swamp Creek restoration sites

- 9:30 Gathering/Registration/Coffee
- 10:00 The Story of Swamp Creek
 - Geography & history
 - Current status – habitat, water quality, flooding
 - Biggest issues it faces now
- 11:00 How do I fit in to the story? Ways from easy to more involved
