

The sanitary sewer will be run where the green arrow shows. Risk to Regatta Estates is high given the often saturated soil condition at the toe of this slope. SNOCO should require a security device pursuant to chapter 30.84 SCC or insurance pursuant to SCC 30.63A.940 adequate to cover potential claims for property damage which may arise. AWWD drawings not provided.

PDS' RESPONSE?

“The constructability issue is between the applicant and AWWD.”
