

# Stormwater Management Program Plan

## March 2016

Page 6:

“Stormwater regulations related to new development and redevelopment are embodied in several chapters of Snohomish County Code (SCC) Title 30, in the County’s Engineering Design and Development Standards, and in the Snohomish County Drainage Manual.

The County adopted regulations meeting the requirements of Special Condition S5.C.5.a on January 11, 2016. The revised stormwater codes are available at:
